

UPDATE ON 'PLAN' BILINGUAL MINISTRIES: Nov. 2008  
By Charles Hill

**ESL CLASSES:** The ESL classes at Grace and Calvary Third continue to make good progress. The numbers of participants remain high . There is still a need for classroom assistants and for helpers with the Kids club.

**MONTHLY SUPPORT GROUP:** Attendance of the monthly support group remains strong as evidenced by the number of families who are attending. The support group meets on Saturdays in the homes of the participants. A "pitch-in" dinner is shared and Pastor Leonel leads a spiritual discussion based on Bible passages. The overall atmosphere is friendly and supportive, allowing for all in attendance to participate fully. The next Support Group meeting will be held on Saturday, November 15th at the home of Pastor Leonel Pech.

**AMISTAD CHRISTIANA:** The Sunday service continues to grow in new attendees. Advertisement on the local radio station is beginning to have an impact in this area. One new family comes from Kendallville to take part in Amistad Christiana
